Congratulations to our very own Soror Hollisha Bridgers, on accepting a position with Galloway Township Public Schools as the Middle School Assistant Principal. Hollisha is the the third female to diversify Galloway’s administrative staff. She was selected after a grueling interview process that began with several candidates, none of them ethnic minority, that narrowed down to two in the final round, when it became readily apparent that Hollisha was the best candidate for the position.

Welcome back ladies to our new 2020-2021 sororal year. Though we’re starting out virtually, I hope that we will have a very positive and financially prosperous year. We must stop second guessing ourselves and instead, “Find a way to get to, yes”. Together, there is nothing that we cannot do. Our chapter is comprised of some awesome individuals. We have the best of the best in our chapter. Between all of us, we have expertise in just about all the arenas we need to prosper. Let’s do just that – PROSPER!

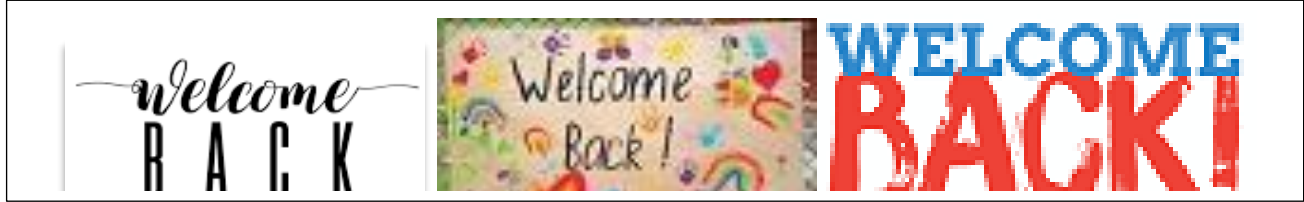

The Committee Lists have been completed and circulated. Please accept your assignment and work it to the best of your ability. We want to make this sororal year a stellar one where Iota excels in everything that we do. And – what we don’t know – we ask. Rememer the old adage – “Each one teach one?” Whatever it takes – let’s get it done! Updated address directories have also been distributed. Please check that your information is correct. Birthday lists have also been updated.

Thanks to all the sorors who virtually attended the 80<sup>th</sup> Eastern Regional Conference. We had quite a few first time conference attendees, even though the ER didn’t notate it. Congratulations all. Cynthia Stocks was our 25 year member. Congratulations!

Get well wishes to Soror Annette Perkins, who recently had a stroke. She is recuperating at her daughter, Deborah Harris' house at 1108 Yeadon Avenue, Yeadon, PA 19050. If you haven't already, send her a card. You can also reach her on her cell phone – 610-237-4510.

Our sympathies go out to Soror Sherry Spence-Leslie on the passing of her beloved husband, Keith. Iota Chapter had the pleasure of getting to know Keith when he was a part of our Debutante Cotillion several years ago. He was a wonderful man and he will be missed.
